Publication Date: March 5, 2009 A novel for anyone who has ever wondered: how can I truly love the one I'm with, when I can't forget the one who got away? Ellen and Andy Graham have the perfect marriage. There is no question how deep their devotion is, and how naturally they bring out the best in each other. But one fateful afternoon, Ellen runs into Leo. The one who brought out the worst in her. The one who left her heartbroken nearly a decade ago. The one she could never quite forget. When his reappearance ignites long-dormant emotions, Ellen begins to question whether the life she's living is the one she's meant to live.
