## **The Serial Killer Diaries** Brian Lee Tucker

“Some people think I was born to kill other people, like it was bred into me, like I had been born with some kind of ‘killer gene’ in my blood. That’s a bunch of bullshit, though. Those head-shrinkers, they don’t know the half of it. I just like killing other people, really, always have.” So says the Valentine killer, speaking of his past – and future. In **THE SERIAL KILLER DIARIES**, author Brian Lee Tucker takes us on a mind bending journey into the mind – and life – of a vicious serial killer who, during his frequent “road trips” – code word for killing sprees – shares with the reader his own personal insight into why he is what he is – and why he still enjoys slaughtering innocent victims with no remorse than Jack the Ripper. Often times hard to take, **THE SERIAL KILLER DIARIES** will, regardless, keep the reader enthralled to the very last page.
