Prepared by residents, fellows, and attending physicians, this handy reference is a practical guide to the general internal medicine consult. It is ideally suited for residents called on to do an inpatient consult, for students working on an inpatient medicine service, and for specialists seeking information on general internal medicine management. The content is based on the top 25 most common general internal medicine consults requested of the hospitalist service at the Barnes-Jewish Hospital and Washington University. Coverage includes clinical presentations, perioperative management as it relates to a clinical consult, guidelines on the appropriate conduct and approach of a medical consultant, and reviews of selected clinical trials.
