Dolen Perkins-Valdez

Wench: A Novel (P.S.) Dolen Perkins-Valdez

Wench by Dolen Perkins-Valdez is startling and original fiction that raises provocative questions of power and freedom, love and dependence. An enchanting and unforgettable novel based on little-known fact, *Wench* combines the narrative allure of *Cane River* by Lalita Tademy and the moral complexities of Edward P. Jones's *The Known World* as it tells the story of four black enslaved women in the years preceding the Civil War. A stunning debut novel, *Wench* marks author Perkins-Valdez—previously a finalist for the 2009 Robert Olen Butler Short Fiction Prize—as a writer destined for greatness.
