About *Authentic English Recipes*

It's great to try new recipes for the first time. To experience new flavors and food combinations you may never have thought of. But for most of our day to day cooking we never open a cookbook or precisely measure ingredients. We go by what feels right and the experience of cooking the same meal many times before.

The *How To Make Authentic English Recipes* series is more about the method and the ingredients than it is about precise measuring. This is the way our Grandmothers and Mothers cooked. These are recipes my Grandmother passed down to my Mother and then to me.

I hope you enjoy this series of cookbooks and will soon be using these homemade recipes and cooking like a true Brit.
