Corporate attorney Erin Donovan has nothing on her mind except representing her clients to the best of her abilities. One fateful day, she shows an irritating new client, Carson Tierney, around the tenth floor space of her own building and her life takes an unforeseen direction.

Carson is an awe-inspiring woman by anyone's standards. Possessing genius-level intelligence that has allowed her to become a self-made millionaire of a computer software company, Carson still has a dark secret that could be her undoing.

When the two are thrust together to escape a deadly killer in a high-rise office building while a blizzard rages outside, they have no one to count on but each other. So begins an unexpected yet tender romance. However, unchecked love and desire isn't in their future. The murderer is still out there and he's coming for them. Will Carson's street-wise skills protect them both as Erin attempts to discover the killer's identity just as relentlessly as he is seeking their demise?
