The Martian: Story Shortened into 35 pages or less!

The Martian is a science fiction novel, written by American author Andy Weir in 2011.

The story of the novel follows an American astronaut named Mark Watney, who is also the main protagonist of the book. The main character of the book is a botanist. On one day and during one unfortunate event, Mark becomes stranded alone on the planet of Mars, and because he is left there all alone, he must do everything he can in order to survive and to escape. Since his crewmembers think that he is dead for sure, he must do everything he can to return to Earth and thus save his own life.

A very good and also a very strange fact about this book is that Weir's The Martian went on publication in 2014 and immediately, just several days after its publication, it became famous and managed to reach the top of New York Times's bestseller page.

This fact and many more only prove the quality of Weir's work, but details about the story and the adventures, which the novel's protagonist must go through, is for you to find out in this summary.
