The only official guide to institutions of higher learning that are accredited by national and regional accrediting agencies recognized by the Council for Higher Education Accreditation (CHEA), this updated edition includes more than 5,000 public, private, two-year, four-year, and vocational institutions of higher education throughout the United States, as well as U.S.-chartered schools in 14 countries abroad. Each entry provides name and address, a brief description, any membership in a public higher education system, and much more.
