A cien millas de Manhattan (Spanish Edition) Guillermo Fresser

Apenas cien millas para contemplar una América distinta y sorprendente llena de héroes anónimos. A cien millas de Manhattan John Raucci toma aire, aprieta los cordones de sus zapatillas y se dispone para la carrera sin saber que no será ésta la más dura de su vida. A cien millas de Manhattan Steve Mosto, músico de vocación, se prepara para adentrarse como cada mañana desde hace más de veinte años en los dominios del vapor, en el subsuelo de la Gran Manzana. A cien millas de Manhattan el paso de las estaciones acompaña la pesca del salmón, el rumiar de los bisontes en las inmensas praderas, la voz poderosa de los osos, las barbacoas al aire libre, las calabazas de Halloween. El olor de la madera y la melodía del hacha sobre el tronco del arce centenario intensifican el ritual de la recogida del sirope. A cien millas de Manhattan permanece aún el recuerdo de miles de esclavos que siglos atrás aprovecharon el silencio de la noche para lanzarse a una odisea en busca de la libertad. Apenas cien millas para contemplar una América distinta y sorprendente llena de héroes anónimos. Guillermo Fresser describe con maestría, rigor y un finísimo ritmo literario el entramado humano que sostiene uno de los países más poderosos del planeta y nos hace llegar los aromas, los colores y los sabores más personales de una tierra abrumadora y bella que por encima de los tópicos se alza como un territorio encantador y pleno de rituales que nos muestra su cara más auténtica.

English Description

A Hundred Miles from Manhattan keeps alive the memory of thousands of slaves who, centuries ago, took advantage of the night silence to embark on an odyssey in search of freedom. Just one hundred miles to contemplate a different, surprising America, full of anonymous heroes. With polished literary rhythm, Guillermo Fresser masterfully describes the human network that sustained one of the most powerful countries on the planet, and brings us the most personal aromas, colors, and flavors in a beautiful yet overwhelming land that rises above the circumstances as an enchanting territory full of rituals that show us its true nature.
