A View from the Top is the next chapter in Zig Ziglar's ongoing personal journey of self-discovery. In this exciting mix of studio and live recordings, Zig will share with you his most intimate discoveries as to what he personally has discovered to be the most important elements of a truly significant life.

Drawing on his forty-plus years as a world-class motivational speaker, Zig identifies and shows precisely how to achieve what people want most from life - to be happy, healthy, reasonably prosperous, secure, to have friends, peace of mind, a firm spiritual foundation, good family relationships, and - most important - hope.

As Zig delves into the how and whys of living life with values, character, honesty, integrity and sensitivity, you'll learn to be more at peace with yourself, accomplish more with your skills and abilities and tap into what life is really all about. A View from the Top will persuade you to make the commitment to be the best you can be and convince you that if you will recognize and continue to develop what you already have - what you can and will do just may be astonishing! And as Zig has always said. "If you help enough people get what they want, you'll get what you want". Like the mighty oak tree, our challenge as human beings is to continually regenerate ourselves by deepening our roots and extending our reach.

In A View from the Top Zig will teach you:

- *to bring in the spiritual dimension in all areas of your life
- *the power in giving others a hand up, not just a hand out
- *how to make radical changes with minute steps
- *what all people really want
- *to develop a wall of gratitude
- *that character does count
- *how to combine your mission and your vision
- *the secret to follow through and finish well
