He's the club enforcer. She was the Homecoming Queen. Fifteen years ago they shared a reckless night together that changed everything.

Brax - As enforcer for the Great Wolves MC, bloody hands and deadly force were just another Tuesday in my world. I'm not sorry. I'm not on some quest for redemption. Sometimes it takes a monster to fight off something even worse and sleep tight . . . you need me to be that monster. But when Nicole walked back into my life asking for my help, she stirred things in me I like to keep buried. She was a one-night stand I'll never forget. She brought me light when it's better if I keep to the darkness. And now she's offered me the one thing I want from her if I agree to help her. Her body.

It's dangerous to owe me something because I always collect.

Nicole - When we were eighteen, Brax was everything people warned me about. Ink and leather. Smolder and sin. I was everything people expected me to be. Homecoming Queen. Straight A student. College bound. But, one night when my life fell apart, Brax was the only thing that held me together. Stolen kisses. Forbidden passion. He made me feel alive. I've lived with the memory of that night and what he ignited in me for fifteen years. Now my world's come crashing down all over again and he's the only one I can turn to for help.

But, the price he's named is me.

*****This is a standalone, full length romance novel involving the men of the Great Wolves M.C. Each book is interconnected and part of a series, but they can be read in any order and DO NOT contain cliffhangers. They DO contain dark themes and elements*****
