Wolfgang Giegerich

Dialectics and Analytical Psychology: The El Capitan Canyon Seminar (Studies in Archetypal Psychology) Wolfgang Giegerich

What is dialectical thinking and why do we need it in psychology? In a seminar held in the El Capitan Canyon near Santa Barbara in June of 2004, the renowned Jungian analyst Wolfgang Giegerich, along with conversation partners David L. Miller and Greg Mogenson, addressed this question and moved Jungian and archetypal psychology forward in a radically new way. This volume serves as the most accessible introduction to Wolfgang Giegerich's provocative approach to psychology set out in his landmark book, *The Soul's Logical Life*. It is also a valuable resource for students of fairy tale, myth, and depth psychology and includes a complete bibliography of Giegerich's writings in all languages
