He'll break all the rules... When Eden Carver, Iowa farm girl turned NY actress, decides to seduce the sexy cop next door, she begins to wonder if she's bitten off more than she can chew. The last thing Officer Jay Bennett wants is to cross a line with the sweet and innocent country girl-no matter how much he'd like to help himself to a nibble. Not only are they in the friendship zone, a naïve girl like Eden doesn't belong in his dangerous world. But when she asks him to help her rehearse lines, and things go from simmer to boil, he finds himself doing the one thing he swore he'd never do. He knows he needs to walk away from temptation, but when sweet little Eden bites back, it tilts his world on its axis. Because biting back changes everything.
