1. Pleasure Cruise

(Revised Second Edition)

Clare needs to loosen up and have some fun—not to mention some hot sex with someone other than herself. Her best friend, Kira, knows exactly what she needs—a vacation full of hunky single men who'll knock her panties off. When she booked the cruise for Clare's birthday, the travel agent left out one tiny detail. It's a supernatural cruise, and they aren't getting off until they're married.

The powers that be are tired of waiting for the supernatural to find their own mates and reproduce. In a desperate act to get the dwindling population back up, they've decided to take matters into their own hands. Dominik, a lycan, and Braden, a vampire, are just the two perfect candidates to start this experiment. They're sexy, in the prime of their reproductive immortal lives and ready to mate—just as soon as they can seduce their unsuspecting brides, or at the very least, keep them from swimming back to shore.

2. Date With Destiny

(Revised Second Edition)

Academically-minded, uptight Anna only agreed to go on Date with Destiny, a campy game show, because she wanted to win an SUV. She never dreamed that accidentally selecting the wrong prize would land her on a cruise ship full of supernaturals. At least she's bringing someone along for the ride—her best friend Winter, a kooky free spirit with a penchant for mischief.

Andre and Christian, were-panthers and twin brothers, are polar opposites as far as personalities go. One views life as a party, the other is entirely too serious. But once they meet their intended mates, this night-and-day duo can finally agree on one thing—Anna and Winter will be theirs and theirs alone before they get back to shore.

The Powers That Be have ensured none of them will get off the ship until the two couples are mated. But as the brothers quickly realize, these human females mean to challenge them every erotically-charged step of the way.

3. Pleasure Island

(Revised, Expanded Second Edition)

A tropical island that's seen better days. A downed plane. A marooned boat. And two gorgeous supernaturals who'll stop at nothing to claim their mates.

Jurgen wants Annette in the worst—or best—way, and he intends to make her his. Finding a way to get off the island can wait until he's shown her all the pleasures to be found with a shapeshifter mate who'll stop at nothing to ensure she's his—forever.

Keoni thinks all his fantasies have come true when a half-naked Christy flounders in the water beside his boat. Being unexpectedly marooned on a sinking island in the middle of nowhere gives him the perfect opportunity to get down and dirty with the sexy lady of his dreams.
