Gordon Williamson

The Waffen-SS (3): 11. to 23. Divisions: v. 3 (Men-at-Arms) Gordon Williamson

The Waffen-SS grew from a handful of obscure infantry battalions in 1939, to a force of more than 30 divisions by the end of World War II, including units of every type and every level of battlefield value. The mid-war divisions covered in this third title represent that range, from some of the most effective German and Western European volunteer formations – e.g. the 12. SS-Pz Div 'Hitlerjugend', and the Scandinavians and Dutchmen of the 11. 'Nordland' and 23. 'Nederland' divisions – to the Bosnian Muslims of the anti-partisan 13. 'Handschar' Division. Illustrated with rare photographs from private collections and meticulous colour artwork, the text details their organization, uniforms and insignia, and summarizes their battle records.
