Angelia Holley knows she'd never win a mother-of-the-year award. But was her example so bad that it drove her daughter, Amber, to repeat the pattern of teenage pregnancy? And why did Amber pick J.D. of all people to father her baby? While Angelia is forming a bond with her stepdaughter, Skylar, twin sister Tyler isn't nearly as fond of the new "family" forming in the Holley household. When Tyler starts to act out, will Angelia be able to keep her mouth shut and let her husband and the girls' mother work this out? And the baby of the family, Demarcus, suddenly wants to bond with his biological father. Should Angelia swallow her pride, overlook the years of lack of financial/emotional support, and allow Demarcus to form a bond with the man who has never been there for him? Join Angelia and Darren Holley as they continue with the growing pains of a blended family as they mature in their knowledge of the One who can help them through.
