Ukraine: An Illustrated History

Paul Robert Magocsi

Ukraine: An Illustrated History Paul Robert Magocsi

Ukraine is Europe's second-largest state. Roughly the size of Germany and Great Britain or the states of Arizona and New Mexico combined, it shares borders with seven countries and in 2001 had a population of more than 48 million. This lavishly illustrated volume provides a concise and easy-to-read historical survey of the country from earliest times to the present. Each of the book's forty-six chapters is framed by a historical map, which graphically depicts the key elements of the chronological period or theme addressed within. In addition, over 300 historic photographs, line drawings, portraits, and reproductions of books and works of art bring the rich past of *Ukraine* to life.

Rather than limiting his study to an examination of the country's numerically largest population – ethnic Ukrainians – acclaimed scholar Paul Robert Magocsi emphasizes the multicultural nature of *Ukraine* throughout its history. While ethnic Ukrainians figure prominently, Magocsi also deals with all the other peoples who live or who have lived within the borders of present-day *Ukraine*: Russians, Poles, Jews, Crimean Tatars, Germans (including Mennonites), and Greeks, among others. This book is an indispensable resource for European area and Slavic studies specialists and is sure to appeal to people interested in having easy access to information about political, economic, and cultural developments in *Ukraine*.
