The story of The S.L. Buds continues in this second volume of Whatever Makes You Happy. To understand the second volume, it is imperative to read volume one first. This novel contains strong adult language and situations.

The story picks up where the volume one leaves off. Gregory Hill travels to Tucson Arizona to spend a couple months with the woman he has been in love with since the ninth grade.

He receives a letter from his ex-girlfriend and is left with a decision to make. He is also given an offer that will change his life forever.

Amber faces the challenge of being pregnant and suffers constant harassment from the baby's father and his family.

Meanwhile The S.L. Buds persevere through several hardships including one of their members becoming addicted to meth, trouble with the U.S.R. church, and problems with the law. This is a story of friendship, love, and the trials of The S.L. Buds. Whatever Makes You Happy is the motto they live by.
