## **A Village of Vagabonds** F. Berkeley Smith

It was in fat Madame Fontaine's little café at Bar la Rose, that Norman village by the sea, that I announced my decision. It being market-day the café was noisy with peasants, and the crooked street without jammed with carts. Monsieur Torin, the butcher, opposite me, leaned back heavily from his glass of applejack and roared. Monsieur Pompanet, the blacksmith, at my elbow, put down his cup of black coffee delicately in its clean saucer and opened his honest gray eyes wide in amazement. Simultaneously Monsieur Jaclin, the mayor, in his freshly ironed blouse, who for want of room was squeezed next to Torin, choked out a wheezy "Bon Dieu!" and blew his nose in derision. "Pont du Sable—Bon Dieu!" exclaimed all three. "Pont du Sable—Bon Dieu!" "Cristi!" thundered Torin. "You say you are going to live in Pont du Sable? Hélas! It is not possible, my friend, you are in earnest!"

#### **Robert Collado:**

In this time globalization it is important to someone to receive information. The information will make anyone to understand the condition of the world. The condition of the world makes the information quicker to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher that print many kinds of book. Often the book that recommended for your requirements is A Village of Vagabonds this guide consist a lot of the information from the condition of this world now. This specific book was represented so why is the world has grown up. The language styles that writer use to explain it is easy to understand. The actual writer made some exploration when he makes this book. That is why this book appropriate all of you.

#### **Jesse Ward:**

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this A Village of Vagabonds can make you feel more interested to read.
