A hundred years have passed since the Faerie woman Lara last saved Hetar. Her youth and beauty remain as always. The waning years, however, have taken many of her friends and kin. And those who remember her heroism in times of peril are few. All the while Lara's son, the charming but nefarious Twilight Lord Kolgrim, waits patiently for his moment. Kolgrim won't repeat his father's mistakes by waging war. His way is more subtle but just as sinister--not even Lara's formidable powers will be able to stop him. Though all seems lost, Lara still clings to the hope that she can fulfill the prophecy to unite the people of Hetar. As darkness once again falls over her land, Lara finds that, more than ever, she needs the wisdom, love and support of the handsome Shadow Prince, Kaliq. In their greatest trial yet, Lara and Kaliq will finally meet her long-foretold destiny...together.
