**Deadly Creatures: The World's Most Dangerous Predators (Haynes Pocket Manual) Anita Ganeri**

Haynes Pocket Manuals are a new series of small books providing factual and practical information on a wide range of popular subjects, including machines, history and the natural world. Aimed at children, they are written using language suitable for young readers and are fully illustrated in color throughout. Deadly Creatures provides information, facts and figures on some of the most dangerous predators in the animal kingdom, along with useful background topics such as killing methods, weapons and armor, behavior, habitat and species extinction. Illustrated throughout in color, this manual is the ideal companion for young zoologists.
