Getting things for free really isn't a pipedream. At least, not if you play your cards right and know what to do. They say that fortune favors the brave, but that's not always the case. When it comes to getting free stuff, fortune actually favors the knowledgeable and the resourceful. In 2013 alone, US companies spent over \$94 billion dollars in advertising to get people to try out their latest products. There's a lot of free stuff out there and rest assured, it's not all getting handed out in tiny bite-sized samples at your local supermarket. Besides free software, other goodies on offer include gadgets, books, and movies. Keep reading, and you may even get a free phone and a free yacht, although with some conditions. This book will explain how to get all of the above and more.
