John Harrison:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library in order to

make summary for some reserve, they are complained. Just little students that has reading's internal or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want.
