## **The One and Only Zoe Lama** Tish Cohen

The Guru of the seventh grade is back . . . but has she been replaced by a Sixer?

When ZoÃ« returns to school after a long absence, she's sure that everything must have fallen apart. She is fully prepared to use her Lama skills to set everyone straight. But she finds things running smoother than ever before. It seems that Devon Sweeney, a sixth grader with a perfect blond bob and endless supply of matching outfits, has taken her place as everyone's go-to gal. Will ZoÃ« succeed in regaining her throne, or will she become (gulp) just one of the muddled masses? This second novel about the headstrong but lovable ZoÃ« is just as breathless and hilarious as the first.
