Someone is stalking webcam models.

He lurks in the untouchable recesses of the black web.

He's watching you. Right now.

When watching is no longer enough, he comes calling.

He's the last thing you'll ever see before the blood gets in your eyes.

Chicago Homicide Detective Tom Mankowski (The List, Haunted House) is no stranger to homicidal maniacs. But this one is the worst he's ever chased, with an agenda that will make even the most diehard horror reader turn on all their lights, and switch off all Internet, wifi, computers, and electronic devices.

Jack Kilborn reaches down into the depths of depravity and drags the terror novel kicking and cyber-screaming into the 21st century.
