In *When Men Become Gods*, New York Times bestselling author Stephen Singular casts a light on a dark corner of religious extremism. He reveals a group of fundamentalists operating in the present-day United States, where teenage girls are kept in virtual bondage in the name of upholding the "sacred principle" of polygamy. As the leader and self-proclaimed prophet of the Fundamentalist Latter Day Saints, a sect of Mormonism based in isolated southern Utah, Warren Jeffs held sway over thousands of followers for nearly a decade. His rule was utterly tyrannical. In addition to coercing young girls into polygamous marriages with older men, Jeffs reputedly took scores of wives, many of whom were his father's widows. Television, radio, and newspapers were shunned, creating a hidden community where polygamy was prized above all else.
