The ABC Schoolhouse Word Family 5 book series contains 20 titles and each title introduces a different word family, several high-frequency words and the beginning skills for reading. These titles help students to discriminate onsets from rimes, utilize picture cues, develop letter & sound recognition, and read high frequency words. As students begin to read and understand more about the onset and rime connection found in word families, they will begin to think of words as not only a series of individual letters and sounds, but as easily recognizable segments or chunks of language. This greatly enhances word attack and decoding skills, vocabulary, sight word recognition, and comprehension.
