## **A Professional Bitch (The Cathouse Series) (Volume 3) K.D. Matthews**

Sabrina Scott, Blaire's chief rival, is alive - and she's out for revenge. She's resurrected the terror network Al Jabbar, and is racing to get her hands on a nuclear weapon to be used in an attack on the United States. Even worse, the mysterious terrorist mastermind, Shahryar, is anticipating the CIA's every move, and helping to protect Sabrina so she can bring about her dastardly plan. As the CIA is dealing with this threat, Blaire has been put on the sidelines, asked to help train a new generation of DIVAs - deep cover agents trained in the art of seduction and sexual manipulation. Project Cathouse has been restarted, this time in Las Vegas. But Blaire is now the teacher, not the student. Her task is to mentor five of the new male recruits, each one presenting their own unique challenge - especially the mysterious Hunter Black. But beyond that, she's now a role model for the new female DIVAs, and the ambitious Katya Jones is out to prove she's better than Blaire ever was. The warning signs are there, and now Blaire needs to prevent Katya from turning into another Sabrina, and help keep Hunter from becoming another duplicitous Drummond Scott - the man who betrayed Blaire and tried to kill her. But her training efforts are quickly sidelined when Diego Escarra, a deadly enforcer for the Colombian drug cartels, arrives in town with information not only about Sabrina's impending attack, but possibly the identity of Shahryar himself. But Diego also brings with him an even bigger threat - one which could destroy everyone in the Cathouse if it's not exposed. And the only one who can get close enough to stop him is Blaire - that is, if Sabrina and Drummond don't kill her first. The danger has never been greater. The stakes have never been higher. This time, saving the world is going to take more than a Hooker Spy... It's going to require a Professional Bitch. Book 3 of the Cathouse Series is a shocking, entertaining, and sexually-fueled spy thriller unlike any readers have ever before experienced. Discover the twists that occur after the events of A Hooker Spy, and what it really means to be a Professional Bitch.
