Acelia (History of the Acelian Empire) (Volume 1) S G S

While endless wars ravage The Empire's borders, deep in the remote mountains, all of Old Widow Lantal's divinations turn dark and the omens sinister. She knows the world will soon change. She can feel the portents in her bones. She knows she is too age-worn and weakened to manage the impending crisis alone, and calls on the Gods. This time, the Gods answer... To her horror, they send the Widow help: a vicious bird of nightmares and urban legends, and a broken young girl. Old Widow Lantal is not pleased. When the Widow seeks reinforcements on her own, she sets into motion a dark, complex and winding journey of discovery across The Acelian Empire. In their desperation, the Gods gather up the lives of mages and thugs, Lords, Ladies, princes and soldiers, artists, lovers, and children. Their hands tug on the fates of both people and nations, and their schemes will either save the world, or end it.
