George Hunsinger

How to Read Karl Barth: The Shape of His Theology George Hunsinger

This critical study decodes the most cryptic and elusive patterns of Karl Barth's dialectic. Hunsinger not only offers a new and authoritative interpretation of Barth's mature theology, but also places Barth's work in relation to contemporary discussions of truth, justified belief, double agency, and religious pluralism. Through a fresh and compelling reading of *Church Dogmatics*, Hunsinger offers a new account of the coherence of that work as a whole.
