## **The Artful Dodger: Images and Reflections** Nick Bantock

With sales of his *Griffin & Sabine Trilogy* surpassing three million copies, it's been said that Nick Bantock has created an original literary genre. Now he brings new meaning to the art of autobiography with *The Artful Dodger: Images and Reflections*, in which he infuses the tale of his professional and artistic life with warmth and wit. *The Artful Dodger* surveys the vast and varied territory that Bantock's work encompasses: from his English art-school days to paperback covers, pure abstract experimentation to pop-up books, *Griffin & Sabine* to his most recent work. Bantock's own words lend a highly personal, often revealing, always entertaining angle to more than 350 resplendent images. As rich in life as it is in art, *The Artful Dodger* reveals the creative range of a modern graphic master.
