**The Gift of Fire / On the Head of a Pin: Two Short Novels from Crosstown to Oblivion** Walter Mosley

*New York Times* bestselling author Walter Mosley delivers two speculative tales, in one volume, of everyday people exposed to life-altering truths.

## *The Gift of Fire*

In ancient mythology, the Titan Prometheus was punished by the gods for bringing man the gift of fire—an event that set humankind on its course of knowledge. As punishment for making man as powerful as gods, Prometheus was bound to a rock; every day his immortal body was devoured by a giant eagle. But in *The Gift of Fire*, those chains cease to be, and the great champion of man walks from that immortal prison into present-day South Central Los Angeles.

## *On the Head of a Pin*

Joshua Winterland and Ana Fried are working at Jennings-Tremont Enterprises when they make the most important discovery in the history of this world—or possibly the next. JTE is developing advanced animatronics editing techniques to create high-end movies indistinguishable from live-action. Long dead stars can now share the screen with today's A-list. But one night Joshua and Ana discover something lingering in the rendered footage...an entity that will lead them into a new age beyond the reality they have come to know.
