Excerpt from *The Stiles Family in America: Genealogies of the Massachusetts Family, Descendants of Robert Stiles of Rowley, Mass, 1659-1891, and the Dover, N. H. Family, Descendants of William Stiles of Dover, N. H., 1702-1891*

In 1863 there was published a small quarto of forty-eight pages (including six pages of prefatory matter) entitled "Contributions Towards a Genealogy of the (Massachusetts) Family of Stiles, Descended from Robert of Rowley. 1659-1860. By Henry R. Stiles, M. D.," of which Dr. Stiles said in the preface: "The materials of the following Family Memoir were accumulated many years ago while the author was engaged in compiling the genealogy of the Connecticut Family of Stiles (between which and the Massachusetts Family no connection has yet been proved - M. S. P. G.), which was published in 1859."

This little work came into my hands in 1882, soon after I had begun my investigations of Stiles history, and, although not free from errors, has been of great assistance to me in many ways. Perhaps it may justly be called the foundation on which the present volume was built.

On our first acquaintance, in 1882, Dr. Stiles informed me of his intention of publishing at some future time a new history of the Stiles Family, and kindly offered to include in it my collections relating to the Massachusetts Family.

In 1883, 1884 and 1885 Dr. Stiles issued circulars announcing his intention of publishing a new History of the Stiles Family in England and America, complete, in an octavo volume of not less than 300 pages, and in December, 1885, the first signature was printed. At this time no adequate idea of the size of the Massachusetts Stiles Family had been obtained.

I was myself entirely ignorant in regard to preparing work for the press. I could, therefore, form no estimate as to the space my part of the Stiles history would require.
