Dr. Catriona Ross is well on her way to finding the lost highland treasure she's been hunting. The only thing standing in her way is the infuriatingly sexy, smart and stubborn Iain MacCraigh—otherwise known as Scotland's most eligible bachelor.

Iain can't believe his luck when he finds out the jewels are hidden away somewhere on his land-- and it doesn't hurt that the historian looking for them has curves to go with her smarts. With his brother betting the family fortune, this is the life line he desperately needs.

The odds are against them, and with word getting out about the jewels, they're not the only ones on the hunt. Time's running out, but can they learn to trust each other, or will they lose the jewels and true love in the process?

*** This is a complete novel that can stand alone and does not end with any cliffhangers. It was previously titled The Highlander's Hope. ***
