All She Wants For Christmas: This Society Princess isn't as cold as everyone thinks... (The Casacelli Family Saga Book 2) Clare Connelly

When the beautiful, young Lady Sanderson's Bashir House is destroyed by fire, she is distraught, and panicked. The charity ball she hosts each Christmas Eve to raise money for her late husband's trust is less than a month away. With the creme de la creme of European society confirmed to attend, she has no venue. Nearby Ravens Manor is the perfect (and only!) substitute, if only she can get the stubborn, reclusive owner to submit to her plans and allow the gala affair to be held in his home...

Antonio Casacelli has removed to England to recover privately from the shock of discovering that the man who had raised him is not his father. The last thing he wants is some spoiled, albeit enchanting, English woman turning up on his doorstep and demanding unfettered access to his manor. Only Lady Sanderson won't take no for an answer, and the more she persists, the harder Antonio finds it to resist her unique blend of persistence and charm...

Book Two in the Casacelli Family Series is full of passion, emotion and tension, and bursting at the seams with Christmas atmosphere and heart.
