## **Church Revitalization from the Inside Out** R. D. Stuart

Is your church suffering, and you're not sure why? Church planter and professional interim pastor R. D. Stuart encourages church leaders to examine the different ways that they themselves may be exacerbating the problem.

Unfortunately, flawed leadership is a big cause of ailing churches today. The good news is that God gives us the humility and ability to change. With forthright prose and practical examples from his own experiences, Stuart diagnoses different leadership failures and prescribes treatment for them. Along the way, he tackles making tough decisions; striving for unity; taming gossip; cultivating humility; and loving even the hard-to-love sheep. Ultimately, *Church Revitalization from the Inside Out* will help ministry leaders to strengthen their churches as they grow in faithfulness.
