Deep Excavation, 3rd edition Malcolm Puller, David Puller

Deep Excavations: a practical manual assembles the practical rules and details for the efficient and economical execution of deep excavations. The third edition uses international case examples, including the Nicholas Highway, Singapore, the Silken Hotel, Aldwych, alongside the experience of both design and construction from published work and practical experience to do this. Each chapter is fully updated to current practice, including the latest contractor safety measures, construction regulations (including manslaughter) and causes and avoidance of injury and fatality.
