Eric Sloane's America: Paintings in Oil (Dover Fine Art, History of Art)

Michael Wigley

Eric Sloane's America: Paintings in Oil (Dover Fine Art, History of Art) Michael Wigley

When the young artist Everard Jean Hinrichs was looking for a new name, he chose "Sloane" as a tribute to his mentor John Sloane and "Eric" as homage to his greatest inspiration, *America*. This original collection of Eric Sloane's oil paintings spotlights his evocative depictions of the nation's landscape and material culture. Shimmering with immense historical and nostalgic appeal, it features nearly a hundred of the artist's finest paintings of locations ranging from New England to the American Southwest. A perfect introduction to Sloane's art, this fine anthology will also appeal to the painter's many longtime fans. Michael Wigley, whose Santa Fe gallery is a primary venue for Sloane's artwork, selected these images from an extensive legacy. Wigley also provides an informative commentary on the artist's techniques, and Mimi Sloane offers a warm reminiscence of her husband's life and lively career.
