Let the secret journey begin at Howl at the Moon. Lucci and Milky are whisked out of their ordinary classroom. Their creative teacher opens their little minds. They see beyond pencil cases and blackboards. They delight in playing outdoors and are whisked away by an exciting fairy with gorgeous wings called Lisa. Fantasy and wizardry take away the cold as two not so ordinary kids are rescued. Secret forts and mysterious owls bring the children from the cold and rain in Trident Manor. Watch as all the fairies gather round in the secret winter woodland. The children arrive just as dreaded builder men are about to engulf their secret tree house. Has the fairy and great owl the will to turn around these most dreaded events.
