Down & Dirty

A concise practical guide to advanced editing with Apple's iMovie '11

by G.J. Hoss

If you own a Mac you may already have a great tool to edit video like a professional. This small book is intended to present iMovie tips, techniques and tools in a clear and concise way (Down & Dirty) that will help you edit video in iMovie '11 like a professional and in an efficient working style. Also highlighted are some of the lesser known and truly fun iMovie special effects. It assumes some familiarity with the use of OSX and some basic understanding of editing video. You may jump in anyway but the specific design of this book is to be concise and to avoid unnecessary repetition of basic and commonly available methods and information, concentrating instead upon the essentials needed to produce clean and professional looking video utilizing all that iMovie '11 has to offer.
