The Complete Book of Enoch: Standard English Version Dr. Jay Winter

This eBook includes the complete book of Enoch which has been translated from the Ethiopic. The Book of Noah, Testament of Solomon, Book of Giants, and a few other extras are also included in this third ePUB edition. The introduction by David Chariot is perhaps the best short form explanation of the book for those who are familiar with the book and those who are just discovering it. Enoch has been logically organized into chapter/verse settings and canonized in this English version which will resemble the King James Version of the Scriptures. Additionally, an XML file has been included with archaeological evidence of fossilized giant humans found throughout the world. All known fragments of the Book of Giants has been included in this edition along with a listing of external references to Enoch in other manuscripts such as the Book of Jubilees and other Scriptures. This is a standardized reference material regarding the body of knowledge presented in the Book of Enoch.
