## **Trekking Chamonix to Zermatt: The Classic Walker's Haute Route** Kev Reynolds

A guide to the classic Chamonix to Zermatt trek, from Mont Blanc to the Matterhorn, in the northern slopes of the Pennines Alps, described in 14 stages. In two weeks of mountain travel you will see the greatest collection of 4000 metre peaks in the Alps and visit some of the most spectacular valleys. You will discover delightful villages and remote hamlets, wander flower meadows and forests, skirt exquisite tarns that turn mountains on their heads, and clamber beside glaciers. The way intrudes on lonely stone-filled corries, with marmots along the boulders and ibex on the heights, and provides a surprise around every corner. The route crosses 11 passes, gains more than 12,000 metres in height and is a strong contender for the title of Most Beautiful Walk in Europe. This new edition has been thoroughly updated, and now includes the exciting two-day Europaweg - a true high-level path that carries the Haute Route way above the Mattertal and into Zermatt - a worthy conclusion to a great trek.
