Alexander & Rebecca (Royals of Valleria #1) Marianne Knightly

Meet the Royals of Valleria, a country as old as the fall of the Roman Empire. The current king and patriarch rules with his beloved queen. Nine children, ranging from the eldest twins to the youngest son, watch over the country they love and care for. Bound by honor, duty, and each other, follow their lives as they fall in love, face tragedies, and triumph against the evils facing them.

Alexander & Rebecca (Royals of Valleria #1)

Rebecca Campo loves her work. Chief of Staff to Princess Catharine, her best friend and Prince Alexander's twin sister, she travels all over the world, meets with other royalty, and lives a life she could never have dreamt possible. Having grown up alongside the royal family, she can almost forget they're royalty; well, all except one. Prince Alexander is every woman's dream, and he seems to want her. Even after their passions overtake them, Rebecca still doesn't believe they are meant for forever because she's only a commoner, not a future queen.

Prince Alexander, heir to the throne of Valleria, takes his duties very seriously. So seriously, in fact, that he's followed duty over pursuing the woman he's loved for years. However, now it's time for him to marry, and he's tired of waiting. He'll pursue her despite royal objections, and despite her own. Unexpectedly, a death threat is made against the Prince and the whole family goes on alert. What no one counted on, however, was Rebecca getting caught in the crossfire.
