**From Book 1:** Saying goodbye to the horses they love has become a way of life for Marley and her sisters, who train and sell show jumpers to make their living. Marley has grand ambitions to jump in Pony of the Year, but every good pony she's ever had has been sold out from under her to pay the bills.

Then a half-wild pinto pony comes into her life, and Marley finds that this most unlikely of champions could be the superstar she has always dreamed of. As Marley and Cruise rise quickly to the top of their sport, it seems as though her dreams of winning the Pony of the Year might come true after all.

But her family is struggling to make ends meet, and as the countdown to Pony of the Year begins, Marley is forced to face the possibility of losing the pony she has come to love more than anything else in the world.

Can Marley save the farm she loves, without sacrificing the pony she can't live without?
