## Medieval Europe (Cultural atlas of the world) Donald Matthew

The Cultural Atlas series combines intellectual depth and visual richness as it distills and synthesizes an enormous amount of information. Weaving together geography, history, archaeology, anthropology, architecture, the arts, and more, these handsomely designed, interdisciplinary volumes encompass the entire physical and cultural world of each civilization, evoking its unique spirit and vitality. Delight the Eye, Inform the Mind. Designed to appeal to both the serious student and the more casual reader, the Cultural Atlas series is written with authority and clarity. Panoramic in scope, these volumes provide an overview of places and peoples through the centuries and are illustrated throughout with hundreds of striking and informative photographs and drawings. Each volume is divided into three key sections: -- Geographical/ethnographic background-- Cultural history-- A tour of present-day regions. Covering a vast and diverse period, this volume provides a fully developed portrait of the Middle Ages -- from the end of the Roman Empire to the discovery of the New World.
