Prayers (Puffy Books) Sylvia Browne

The pages of PRAYERS are taken from Sylvia Browne's sermons, delivered at her church, Society of Novus Spiritus. In each case, the words were 'infused' into her by her spirit guide Francine, and of course by God. Granted, these words are a passive mode of prayer, yet the goal is to recharge your spiritual battery so that you'll be able to go out into the world and do God's work.
