Simple Model Locomotive Building Introducing L.B.S.C.'s "Tich"

Based on the groundbreaking series of articles originally published in Model Engineer, this book explains the construction of LBSC's famous 3 1/2 inch gauge Tich and serves as an introduction to model locomotive building for virtually every enthusiast who possesses or hopes to possess a lathe and the urge to construct his own locomotive. With simple lucid instructions and clear drawings that allow even the beginner to construct a successful working steam locomotive. Black and white photos show construction at various stages. 268 pages with index.
