The Story of the Scrolls

Geza Vermes

The Story of the Scrolls Geza Vermes

From the world's leading Dead Sea Scrolls scholar, Geza Vermes' *The Story of the Scrolls: The Miraculous Discovery and True Significance of the Dead Sea Scrolls* is an ideal introduction to understanding these ancient documents. The discovery of the Dead Sea Scrolls in Qumran, between 1947 and 1956, was one of the greatest archeological finds of all time. Written in Hebrew, Aramaic, and Greek, and hidden in caves by an ancient Jewish sect, these mysterious manuscripts revolutionized our understanding of the Bible, of Judaism, and of the early Christian world. Geza Vermes's English translations brought these extraordinary documents to thousands, and his life has been inextricably interwoven with the scrolls for more than 60 years. In *The Story of the Scrolls*, Vermes relates the controversial story of their discovery and publication around the world, revealing cover-ups, blunders, and academic in-fighting, but also the passion and dedication of many of those involved. He shares what he has learned about the scrolls and, evaluating passages from them, gives his views on their true significance and what they can teach us, as well as those areas where scholarly consensus has not yet been reached.
