Bali Tourism

Arthur Asa Berger

Bali Tourism Arthur Asa Berger

The island of Bali has long been characterized in the West as the last “paradise” on earth, but there is far more to this small Indonesian province. *Bali Tourism* presents an enlightening ethnographic study of some of the most important icons—for tourists and locals alike—in Balinese culture and society and explores the growth of this island as an “exotic” vacation destination. In addition, it offers a firsthand look at many aspects of daily life, a semiotic analysis of its dominant cultural symbols, and insights into tourists’ perceptions of Bali. A thirty page photo section offers a unique glimpse at this remarkable island.

Through a distinctive use of cultural analysis and psychoanalytic modes of interpretation, *Bali Tourism* offers an in-depth study of Balinese tourism, society, and character. This handy, easy-to-read text is an essential overview of what the island has to offer tourists and looks at the exciting possibilities—and the potential pitfalls—of visiting this extraordinary land. The book paints a vivid portrait of this country’s hidden gems and popular tourist destinations, exploring the ways visitors see Bali—and how the Balinese see visitors—as well as the promise and problems Bali faces in developing its tourism industry.

Bali Tourism is an ideal book to read before visiting Bali yourself—or recommending/planning a trip for others. The fresh insights it presents will help make any trip to the region more rewarding for the traveler. It is also a unique scholarly resource, complete with informative tables, references, and a bibliography, for academics and students at all levels of tourism studies.

From reader reviews:

Curt Roepke:

Often the book Bali Tourism has a lot of knowledge on it. So when you check out this book you can get a lot of profit. The book was published by the very famous author. The author makes some research previous to write this book. This particular book very easy to read you can get the point easily after reading this article book.

Angela Dreiling:

Is it anyone who having spare time and then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This Bali Tourism can be the answer, oh how comes? The new book you know. You are and so out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these books have than the others?

Mattie Martin:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Bali Tourism can make you truly feel more interested to read.

Betty Bobbitt:

Reading a guide make you to get more knowledge as a result. You can take knowledge and information from a book. Book is written or printed or outlined from each source that filled update of news. In this particular modern era like now, many ways to get information are available for anyone. From media social including newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just trying to find the Bali Tourism when you required it?
