Shifters who can turn into tigers, leopards, and panthers must decide who they can trust -- and who they can't live without.

Full of romance, suspense, and gritty drama, this red-hot collection is sure to entertain

PROTECTION

Grizzly bear shifter Grant Waters wants one woman--Curvy Chelsea O'Reilly. He's wanted her since they met. Except he's worried his secret may be too much for her. It may be what sets her running. Curvaceous Chelsea works at a salon in Bear Canyon Valley. She gets butterflies when Grant's around. But she's got her own baggage. Plus, she thinks that Grant would be better off with the local, stunning, curvy, widowed-way-too-early Mae Forester.

CONTROVERSY

Remember Vax? He made a cameo in Shifters Forever: Seduction. He's back! Shifter Vax Tiero runs After Dark. A nightclub that doubles as a haven for shifters. Man, did he screw up, falling for the curvy graduate student Callie Rivera. That's a no-no because of the Tiero Council Code. One of the tigresses is a furious, petulant visitor whose jealousy puts Callie in danger. Now Vax has two problems. Keeping Callie alive and keeping that he's a shifter secret from her. Wait. Two?!? Make that three problems because his half-brother, an equally sexy, shifter named Rafe is in from Europe for a visit. And he's got his eye on Callie. He'll waste no time going for what he wants while Vax is taking care of After Dark. Two hot shifter males and a hot-tempered shifter female promise sparks, melee, and drama.

FORBIDDEN

Jaclyn "Jax" Vasquez has a problem. Her parents are in town for a surprise visit. If they see her boyfriend, Scotty, the proverbial \$h!t will hit the fan! She needs help and chooses the first--and only--option, the indigo-eyed stranger in the corner. What could possibly make this worse? He's a white tiger shifter, and she's got a secret. Sparks and fur fly!

DESIRABLE

The last time he saw her he promised to spank her curvy derriere. This time, he may do a lot more than that! Curvalicious Natalya thought she'd never have to grow up. And then she met Lézare. The man who makes her want to be the woman she's never been. Except his family hates her, and as far as she knows, he does too. So the only option she has is to go to the Shifter Masquerade Ball in disguise. Lézare desires Natalya. There's something about this spunky, sassy, mouthy, pouty curvy girl.

UNBOUND

Glory Aleman is bound to her duties, and bound by ancient law. She's pledged to a shifter of another family to keep old bloodlines alive. Mae's nephew, Dane Forester has been anything but bound... He's a freewheeling, sexy, successful, movie star who uses every role and every woman to escape and forget the heartbreak he left in Woodland Creek. Great, right? Sure, right up until a will-reading brings him back to Woodland Creek, and back to that which he never really escaped. Again, no problem, right? Oh-so-very wrong. Glory's bound to another man, slated to become his in less than a month. This was the role Dane Forester was meant for. He better not choke.
